#### LIMASSOL BOAT SHOW Limassol Marina

# The Eastern Mediterranean's largest boat show

### More than 35.000 visitors More than 120 exhibitors

The annual gathering of industry professionals and prospective buyers will offer to thousands of visitors the opportunity to view a wide range of the latest products and services in a unique setting.

Including seminars, presentations of new products, activities on water and demonstrations, Limassol Boat Show 2024 will host more than 120 exhibitors from Cyprus, Greece, Great Britain, Israel, Lebanon, Italy and Sweden. Further to the last years' success, it is also expected to welcome more than 35.000 visitors.

Limassol Boat Show 2024 will be supported by a broad national and international advertising campaign, including television and radio spots, press, magazines, web and social media. A press conference will be organised for the media, with Press Releases available in Greek, English, Russian and Arabic.

The event will receive world-wide publicity thanks to Limassol Marina's established affiliates and international media that support the event as media sponsors.

With the collective effort of the Organisers, Sponsors, Supporters and Exhibitors, this annual show aims at further expanding its capacity and continuing to establish itself as the major international Boat Show in the East Mediterranean region.

# Official stand constructors and services

Only the official constructors of Limassol Boat Show 2024 are permitted to construct exhibition spaces / stands or make electrical installations. Non-approved constractors will not be permitted to conduct work at Limassol Marina and will be ejected from the venue. Special requests, subject to the terms and conditions, can be made to the event Organisers in writing which will be reviewed on a case by case basis.

The constructors can supply the exhibitors with special constructions and furniture.

- Approval must be obtained by the Organisers for the type, design and type of exhibition stand before proceeding with its construction.
- No exhibitor can use an external constructor without the permission of the Organisers.
- The external constructors must have all the necessary permits and insurance for both the staff to be employed and their construction.
- The power supply to each stand covers devices up to 13A. If exhibitors require any extra load, they must request it in advance and may be charged an extra fee and it is subject to availability.

After booking your space, you can contact the construction companies for more technical information and orders. We welcome any suggestions that your company might have regarding any further promotion and presentation of your company, products and services, as long as they are viable.

The approval will be given at the discretion of the Organising company.
