Limassol Boat Show 2025

Another record-breaking year for the largest maritime show in the Eastern Med

The 10th Limassol Boat Show, held at Limassol Marina from 22 – 25 May 2025, concluded with incredible success, highlighting the rapid and exciting growth of the recreational nautical sector in Cyprus. After four days of excitement, meaningful discussions and exploration of the latest maritime industry trends, the event concluded by once again solidifying Limassol as the yachting hub of the Eastern Mediterranean region.

With a record-breaking number of participants, this year's Boat Show showcased the latest in impressive leisure boats, diving and fishing equipment, prestigious cars, and a wide range of services in the maritime sector courtesy of more than 120 exhibitors from Cyprus, Greece, Great Britain, Israel, Lebanon, the USA, Finland, Italy, Serbia, Poland, France, Egypt. Visitors got an exclusive first look at new and trending products in the yachting industry, particularly from international companies within the sector, such as Lamborghini, Sanlorenzo, Princess, Sunseeker, Azimut, Beneteau, Invictus, Riva Ferretti, and many more.

This year's event also featured exciting demonstrations of adrenaline-boosting watersports, including flyboard, sifly- e-foil, waveboard and jetski. Throughout the show, visitors and participants were serenaded by an eclectic mix of musical performances, including a special live jazz concert by the Moonriver Trio Band, a unique artistic performance by the band Astoria Violins, a DJ Show, a 'chill zone' featuring tunes by DJ Vasileios, a live saxophone show, and live music by the band Funky Grannies at the closing party.

The Limassol Boat Show was established as an opportunity to bring together industry professionals from around the globe, presenting their products and services and attracting new business. Since its inception in 2015, the Show has grown to become one of the island's leading international community events, promoting nautical tourism and fostering initiatives for the sustainable care of our most precious asset; the sea.

In his statement after the event, the General Manager of Limassol Marina, Mr. Nikiforos Pampakas expressed his admiration at the international recognition that the Limassol Boat Show has gained over the years. "This contributes significantly to the establishment of Cyprus on the global yachting map, and to the development of the industry at a local level." He adds that "The success of the Limassol Boat Show has contributed to the remarkable progress and numerous distinctions that Limassol Marina has achieved over the past decade, and for this we are very proud."

On behalf of Dacor Advertising & Media Ltd, the Director of organising company, Mr. Aristos Aristidou, said, "We are thrilled with the overwhelming response to this year's Limassol Boat Show. The increased participation from exhibitors and the quality of attendees underscores the growing interest and investment in the marine industry."

The 3rd Limassol Boat Show Conference was also held within the framework of the Limassol Boat Show. The successful conference created a platform for industry professionals from Cyprus and abroad who engaged in vital topics about the development and expansion of the yachting sector in Cyprus, with meaningful discussions and new insights by the key stakeholders.

Limassol Boat Show 2025 is organised by Dacor Advertising and Media Ltd and Limassol Marina Ltd.

The next Limassol Boat Show is expected to take place in May 2026. The exact date will be announced soon. For more information, visit its official website at www.limassolboatshow.com or contact Dacor Advertising and Media Ltd at
